- 8. 150mm PS Cover Flashing

Notes:  
 1. This detail was prepared to serve as a guideline representing typical detailing conditions and illustrate the correct application of Fix-R EPDM products only. It may be necessary to modify this detail in whole or part in accordance with specific project conditions, design or requirements.  
 2. Acrylic Decking Adhesive is for timber substrates only, all other suitable surfaces use Fix-R EPDM Bonding Adhesive.  
 3. Spacings for fixings may need to be reduced to 150mm centres dependant on location & climatic conditions.
